

PETITION FOR RECALL

TO THE HONORABLE Elizabeth Householder, Antioch City Clerk,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the City of Antioch of Contra Costa County, California, respectfully state that we seek the recall and removal of Lamar Thorpe, holding the office of Mayor, in Antioch, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on September 24, 2021 to Lamar Thorpe:

TO THE HONORABLE Lamar Thorpe: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of Antioch, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Mayor, in Antioch, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

Disrespect for Council Members and the Public who disagree with you during City Council meetings. Blocking constituents and not allowing them to comment on your social media. You have failed to provide full support to the great men and women of the Antioch Police which is impeding their ability to keep our residents safe. As a result of your failed leadership it has led to the resignation of Police Chief Tammany Brooks who will be taking up a new post in Boise, Idaho; and the announced retirement of City Manager Ron Bernal. You put on the Council agenda to rescind the School Resource Officer Grant without any public input from the Antioch Unified School District (AUSD) Board or Administration after the Officers had been interviewed and selected. You misled the Public about when you were informed about the death of Angelo Quintos, when you had earlier received an email from Chief Brooks. You blamed business owners on Sycamore Drive for the crimes that are being committed by others that live nearby which does not reflect Antioch's theme: "Opportunity Lives Here".
